MDEPARTMENT OF PLANT SCIENCES

Email: chairman-pms@ku.ac.ke Tel/Ext: 4420/4421

INTERNAL MEMO

FROM: Chairman, Department of Plant Sciences

DATE: January 3, 2022

TO: ALL CEP STUDENTS

RE: UNITS ON OFFER TO CEP STUDENTS – DECEMBER 2021 SESSION (JAN- APRIL, 2022)

Dear all,

Below are the units that are available for CEP students in the Department of Plant Sciences during the current trimester (Dec 2021 session). Please call 020 – 8704420 or 020-8704421 during office hours (8:00am – 5:00 pm for any clarification). You can also email me at chairman-pms@ku.ac.ke for any clarification.

1. SBT 101:Survey of Plant Kingdom (For BEd students registered before 2020)
2. SBT 105:Survey of Plant Kingdom (for new BEd students – registration from 2020)
3. SBT 100-: Cellular +basis of Life (For BEd students registered before 2020)
4. SBT 120: Cellular basis of Life (For new BEd students – registration from 2020)
5. SBT 200/206: Plant Ecology (For BEd students registered before 2020)
6. SBT 200/206:Introduction to Plant Ecology(For new BEd students – registration from 2020)
7. SBT 301: Taxonomy of Higher Plants
8. SBT 309: Advanced Plant Ecology
9. SBT 310: Plant biochemistry & physiology
10. SBT 401: General Genetics
11. SBT 403: Ecophysiology
12. SBT 425: Cell and Tissue Culture
13. SBT 802: Advanced Botanical techniques
14. SBT 808: Molecular Genetics
15. SBT 828: Developmental Genetics
16. SBT 835: Special Topics in Genetics
17. SBT 835: Special topics in Genetics
18. SBT 850: Advanced Mycology
19. SBT 864: Ecology of Fresh water Algae
20. SBT 865: Marine Vegetation
